How Can You Help?

We are asking you to partner with us to complete this vision in support of making an impact in our community. There are four ways you can help in addition to prayer: tithes, offerings, pledges, and committing your skills and abilities.

Your partnership will provide ministry to our community, employment opportunities, Christian education, and various outreach support.

As a partner, if you would like to sow a seed we believe it will produce a harvest in your life and ministry. The principle of sowing and reaping also applies to the quality of the soil to which you sow your seed. We are certain that you will see increase in your life as we know that this project is GOD ordained.

"Except the Lord builds the house, they labor in vain who build it..." (Psalms 127:1)
